

ACKNOWLEDGEMENT OF NOTIFICATION OF HAZARDOUS WASTE ACTIVITY

(VERIFICATION)

This is to acknowledge that you have filed a Notification of Hazardous Waste Activity for the installation located at the address shown in the box below to comply with Section 3010 of the Resource Conservation and Recovery Act (RCRA). Your EPA Identification Number for that installation appears in the box below. The EPA Identification Number must be included on all shipping manifests for transporting hazardous wastes; on all Annual Reports that generators of hazardous waste, and owners and operators of hazardous waste treatment, storage and disposal facilities must file with EPA; on all applications for a Federal Hazardous Waste Permit; and other hazardous waste management reports and documents required under Subtitle C of RCRA.

Item V Ownership Cont.

* and Elizabethtown Gas Company. The property in question is a former coal gasification plant. NJDOT currently owns a portion of the site as a right of way for the Elizabeth River Viaduct (Rt US 1 & 9). Another portion of the site, owned by Elizabethtown Gas Co., is under investigation by NJDOT for contamination because it is being considered for purchase for locating a widening of the viaduct.
